

Customer Stash Sale Knitty Gritty

PLEASE READ ALL OF THIS IF YOU WOULD LIKE TO PARTICIPATE

All of your questions should be answered here. But if they're not, please email me at mcrossen@riverwools.com

1. Your items must be knitting/crochet/spinning related. This includes yarns of any type, fibers of any type, needles or hooks of any type, knitting/crochet/spinning BOOKS of any type.

Please NO MAGAZINES, NO CROSS STITCH, NO NEEDLEPOINT, etc.

2. Your items must be clearly marked with your price and your 3 initials – please mark them on some sort of tag that is securely attached to the item OR better yet, put everything inside a ziplock bag and include a notecard with your price and your initials. YOU MUST ALSO NUMBER YOUR ITEMS BEGINNING AT 001. Make sure to use numbers in sequence; don't skip any! We will check them in and out USING YOUR LIST. See next number for instructions. For example if your name is Jane Anne Doe your first item will be JAD001 \$3.00 and the next item will be JAD002 \$15.00, and so on.

3. Make a list of your items using an 8 ½ X 11" piece of lined notebook paper. WRITE YOUR NAME, INITIALS AND DAYTIME PHONE NUMBER AT THE TOP. Then number down the left hand side with the same numbers you have used on your items. 001, 002, 003, 004, etc. then a SHORT description of the item: 001: cotton yarn, 002: crochet hook; 003 knitting bag, 004: Knitter's Stash book.

4. It is best to put small items in a clear ziplock bag. Large quantities of like yarn should be bagged in clear bags as well to keep them together. You can buy HUGE ziplocks at the grocery store or repurpose any clear bags you might have. Spinning fiber should definitely be bagged in a clear bag. You can use your own judgment on whether books and patterns should be bagged. Knitting bags and totes are fine as is and needn't be bagged. Yes, projects that you have started but don't want to finish are acceptable for the garage sale! Please use your own judgment and do not include any item that is smelly, stained, mildewed or otherwise unappealing. Think about what you would or would not want to purchase from someone else.

5. Drop off your items Tuesday July 13 through Friday July 16. PLEASE DO NOT ASK TO DROP OFF ITEMS EARLY; WE SIMPLY DON'T HAVE THE SPACE. If you can't make it in during that time frame, have a friend drop off your items. Make sure you have signed the form below and have included it with your items. PLEASE DO NOT TRY TO BRING ANY ITEMS ON JULY 17, THE DAY OF THE SALE. We will not be able to process your items at that time.

6. Come back and shop for yourself all day on Saturday, July 17th! There are sure to be GREAT DEALS! The Garage Sale will be successful only with both BUYERS AND SELLERS. Be sure to support your friends who are supporting you!

7. Come back and pick up your unsold items and get your gift certificate to shop for items the week of July 26 – July 31. NO EARLY PICKUPS please. Why? After the garage sale ends we will need time to sort your unsold items and make sure that the unsold items match the items on your sheet, to figure up your shop credit and to make up your gift certificates.

Don't want your items back? No problem! Please indicate this on your intake sheet; they will be donated or disposed of in an appropriate manner. Any items not picked up by Saturday, July 31 will also be repurposed (most likely donated to our own charity knitters or other worthy causes within the community).

8. You may begin spending your gift certificates whenever you pick them up beginning July 26th. They will be good for a year and will be spendable like any River Knits gift certificate, so you can use them at your leisure, but you KNOW they'll be burning a hole in your pocket!

9. Have FUN and support your hobby, your fellow knitters and your local yarn shop! One important detail of the Customer Garage Sale is that we ask that you please pay for Garage Sale items with cash or check. River Wools incurs a 3-5% fee on each and every debit or credit card transaction, so we ask that the store not have to incur a fee to help other fiber fiends organize and clean out their personal stashes. I know that paying with a debit card has become almost ubiquitous but we really ask for your assistance with this so you can help your fellow knitters and not create an undue burden on River Knits in the process. We thank you in advance for your understanding.

Please print out a copy of these instructions and sign below to indicate your understanding. No submission of sale items will be accepted without this signed consent.
